### PROFILE

A dedicated Full Stack Developer and Technical Trainer specializing in MERN and Next.js development. I hold a Master's degree in Computer Applications from DY Patil Institute of MCA and Management, and a Bachelor's degree in Computer Applications from RTMNU, Nagpur.

I began my career at Cognizant Technology Solutions, progressing from Programmer Trainee to Programmer while working on PEGA BPM and MERN development projects. Currently, I serve as a Full Stack Developer and Technical Trainer at Giri's Tech Hub Pvt Ltd, where I mentor students in MERN and Next.js development through interactive lectures and hands-on projects. Previously, I held a similar role at the Institute of Advance Network Technology (IANT).

### PROFESSIONAL EXPERIENCE

#### Cognizant Technology Solutions, MERN Developer , PEGA Developer

February 2022 –  
April 2023  
Pune

- Started my professional journey at Cognizant as a Programmer Trainee, gaining expertise in PEGA and the MERN stack.
- Actively contributed to the successful execution of two client projects.
- Earned a promotion to the role of Programmer, showcasing my commitment to excellence and professional growth.

#### IANT (Institute of Advance Network Technology), Full Stack Technical Trainer

December 2023 –  
June 2024  
Pune

- Serving as an enthusiastic and dedicated instructor at IANT, specializing in MERN and Java Full Stack development.
- Guiding and mentoring students through interactive lectures, hands-on projects, and real-world applications.
- Empowering students to gain a comprehensive understanding of MERN and Java Full Stack technologies.

#### ITUpgrad, Freelance Technical Trainer

March 2024 – present  
Pune

- Working as a committed and experienced instructor at ItUpgrad, specializing in MERN and Next.js development.
- Guiding and mentoring students to build a comprehensive understanding of these technologies.
- Delivering engaging sessions focused on both theoretical concepts and practical applications.
- Cultivating problem-solving skills and inspiring a passion for innovation among students.

#### Giri's Tech Hub, MERN Developer and Trainer

August 2024 – present  
Pune, India

- Developing robust applications using the MERN stack (MongoDB, Express.js, React, Node.js).
- Conducting hands-on training sessions for students to ensure a comprehensive understanding of the MERN stack and Next.js.
- Guiding students through practical, real-world projects to enhance their skills and prepare them for industry requirements.
